2009 OSA Fellows

Sixty-one OSA members were elevated to the rank of fellow by the Board of Directors at its meeting in October 2008. These new fellows will be recognized at conferences throughout 2009.

The next deadline for nominations is June 15, 2009. More information is available from the OSA Awards Office (email awards@osa.org or telephone 202.416.1960).

Please join OSA in congratulating your colleagues!

Susana Marcos, Consejo Superior de Investigaciones Científicas, Spain

For contributions to visual optics, in particular in the areas of photoreceptor optics and ocular aberrations, with advancements in basic knowledge of the optical properties of the eye and relevant ophthalmic
